PSA support to
DG REGIO

NETWORKING & COMPETENCE CENTER

Capacity building
and training,
knowledge
dissemination

JASPERS support

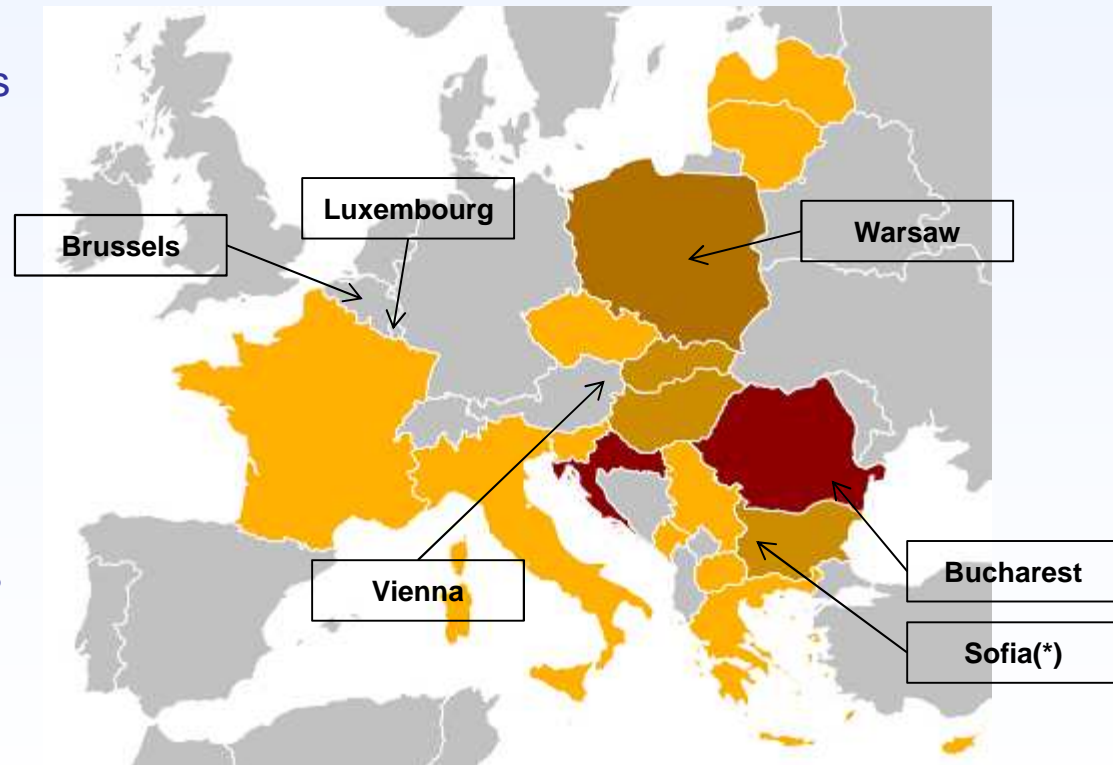

Integrated – Innovative - Inclusive

JASPERS Resources

In-house experts in 6 regional offices

- Staff count: around 130
- Fast access to external consultants via Framework Contracts
- Multi-lingual, multi-cultural and multi-disciplinary teams
- Proximity to beneficiaries reduces response time and facilitates knowledge sharing
- Knowledge of local situation allows better understanding of key issues related to projects
- Relevant expertise from regional offices can be mobilised elsewhere

(*) as extension of Bucharest office

JASPERS Support to Urban

- **Eligibility:** consistency with EU priorities & urban strategies and meeting ex-ante conditions
 - EU 2020 strategy, Territorial & Urban Strategy, Cohesion Policy, ESIF Regulation
 - Compliance to EU procurement, climate action, environmental and social protocols and state aid

- Urban development: ERDF Article 7 on Sustainable Urban Development
