

JASPERS Networking Platform

Webinar on Energy Efficiency in Estonia

Funding and Financing of Housing Modernisation

Experiences from project preparation and implementation

Dates: 10 September 2020, 13h45-16h30 Estonia time
(12h45 – 15h30 CET)

Location: WEBEX (connection details will follow)

JASPERS is a joint initiative between the EU Commission and the EIB. It is managed as a department of the EIB. It serves to support Member States to improve the quality of projects drawing on the European Structural and Investment (ESI) Funds. The Networking Platform was created to complement JASPERS project advisory operations by implementing knowledge sharing and capacity building activities.

More information is available at www.jaspersnetwork.org

Purpose and structure of the webinar

The webinar aims at contributing to the sound commitment of already allocated and future ESI funds to energy efficiency measures by presenting past experiences, lessons learned and available support from JASPERS and other relevant initiatives.

Estonia has set ambitious targets to improve energy efficiency (EE) for the modernisation of its housing stock.

The webinar will provide a platform to discuss experience among Estonian stakeholders and external participants from Lithuania, Poland and Germany. EU Commission participants will present the efforts and expectations of ESI funds and relevant policy perspective, JASPERS and other EIB services will present their experience in other Member States and their potential contribution to Estonia, beyond the attributed ESI funds.

The webinar is organised by JASPERS in coordination with the EU Commission and in cooperation with the Department of Construction and Housing Ministry of Economic Affairs and Communications of Estonia.

The webinar will be held in English language.

The preliminary draft agenda is provided below. Updated agenda will be available at the beginning of September.

To register for the event, please fill out the [online form](#).

The deadline for the registration is Wednesday 2nd September 2020. Registrations subsequent to that date could still be possible, if feasible due technical limitations.

Participants are encouraged to prepare questions on the topics that could be addressed in the webinar, by filling the pre-event questionnaire included in the online registration form, and as a proposal for debate during the Q&A sessions and final roundtable.

For any further information this event and on the activities of the JASPERS Networking Platform please contact us at jaspersnetwork@eib.org or visit our website www.jaspersnetwork.org

Final Agenda

Energy Efficiency in Housing Renovation – 10 September, 13h45-16h30 Estonia time

13h45 – 14h00	Introduction: technical and organisational details
14h00 – 14h30	<p>Introduction: Ambitions, funding, financing and organisation</p> <ul style="list-style-type: none"> • Joachim Schneider, Workshop Moderator, Senior Economist, JASPERS Networking and Competence Center division (NCC) • Ivo Jaanisoo, Head of Department of Construction and Housing, Ministry of Economic Affairs and Communications of Estonia: EE housing renovation measures in Estonia • Renaldo Mandmets, DG REGIO Unit D5, Finland, Estonia, Latvia and Lithuania - Energy Efficiency measures in housing in Estonia - State of play, issues, challenges, outlook
