

# JASPERS Urban Mobility & Development Advisory

Conclusions:

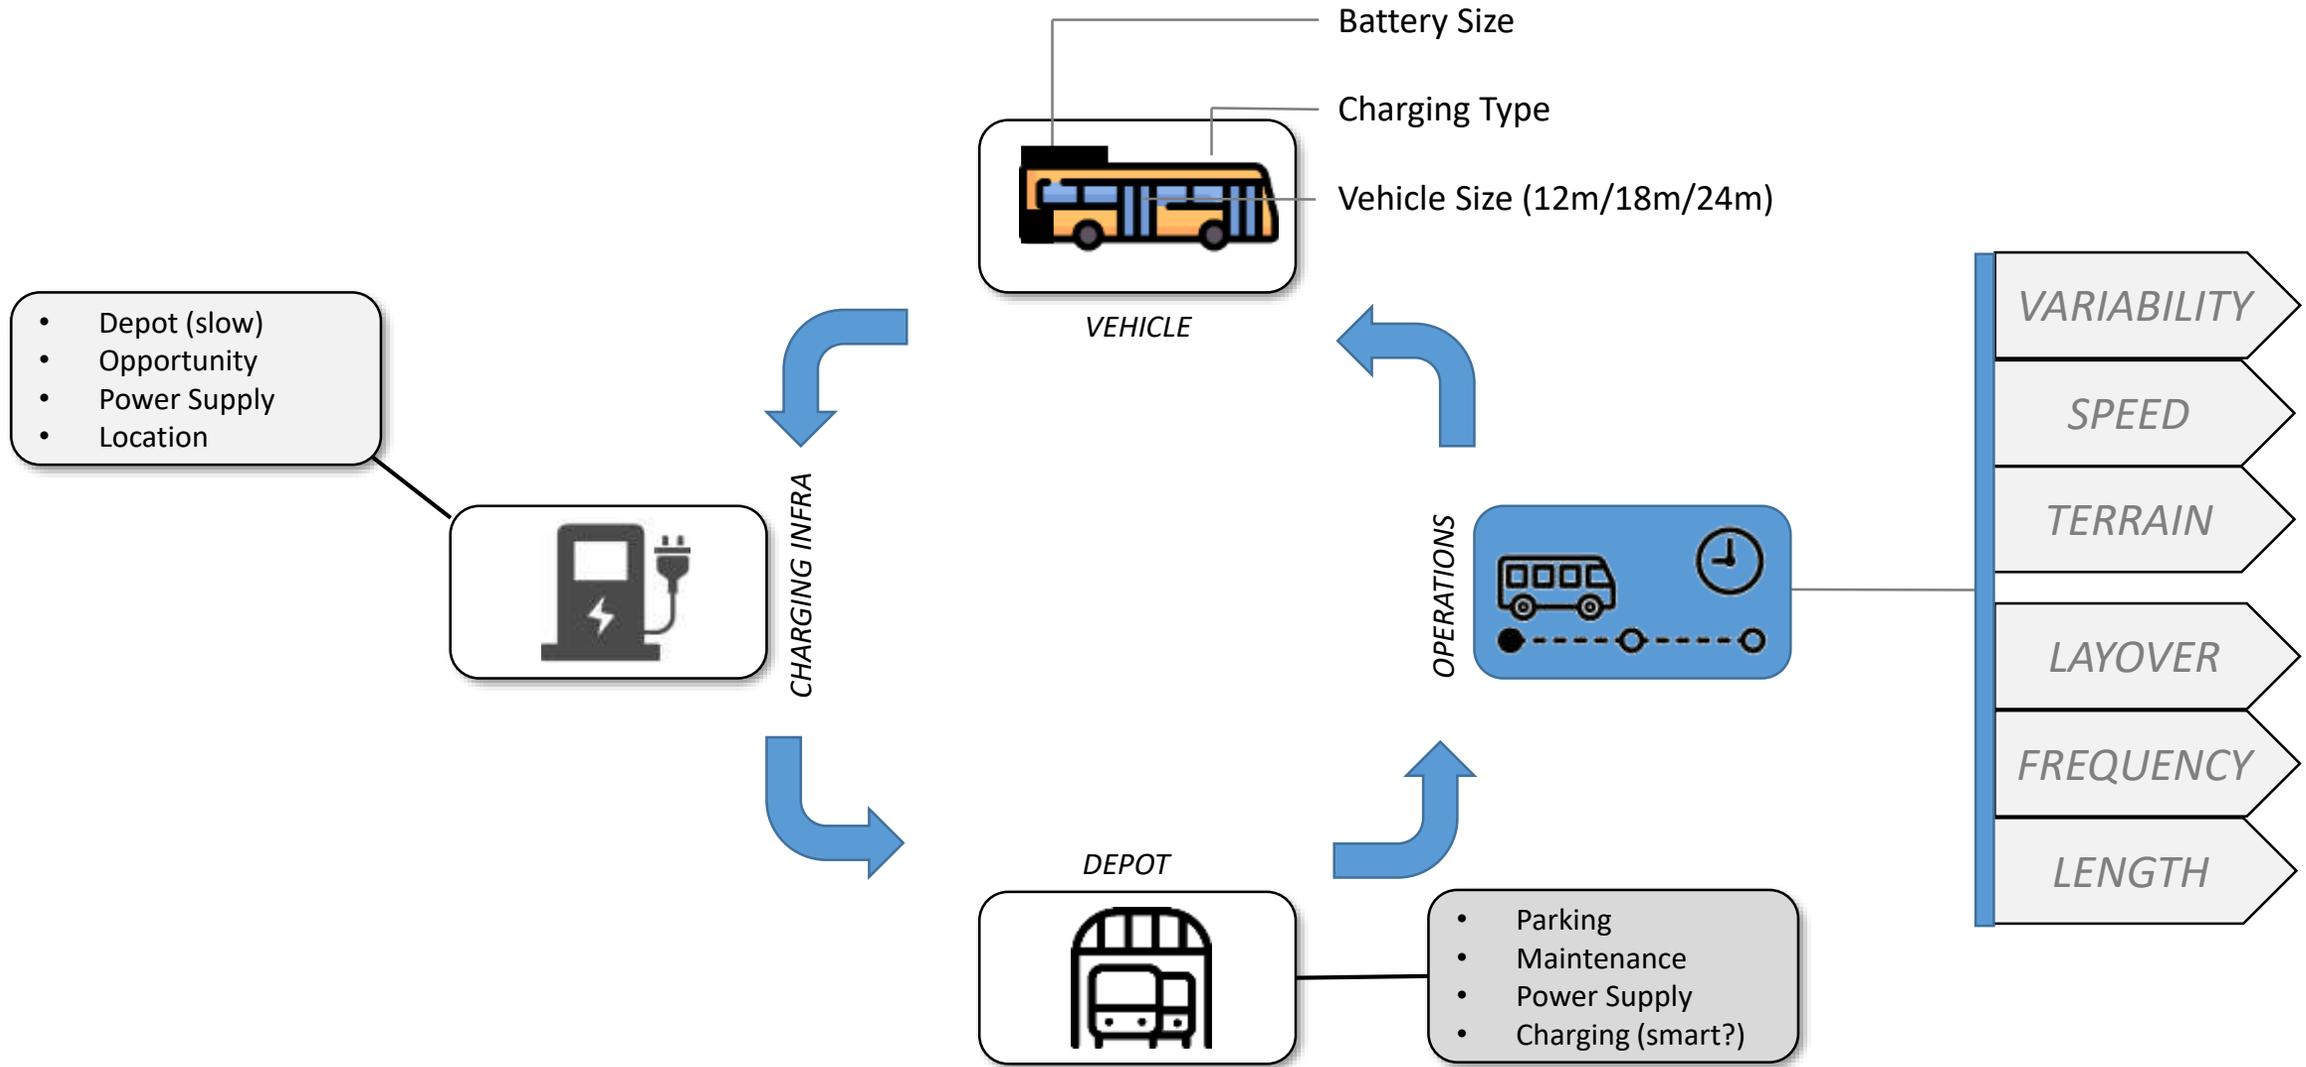

Technical Support for delivering Fleet Renewal Investments

# We have covered over the 2 seminars:

- Legislative framework and EU and EIB funding options
- Key components of a bus fleet modernization programme
- Market evolution of charging systems and vehicles
- Joint procurement
- State aid
- Local bus fleet renewal strategies and plans
- Specific role and potential of trolleybus systems
- Examples from cities as diverse as Athens, Brasov, Bratislava, Helsinki, Klagenfurt, Plzen, Prague, Warsaw

# JASPERS Advice covers all Components of the System

# Types of support?

- **Major Project:** Direct technical support to project teams and the project promoter
- **Project Packages:** Direct technical support to Project Teams, in addition to the coordinator of relevant programmes
- **Horizontal Actions:** Technical Guidance, Policy Development, Management Systems, Programme Support
- **Informal Support:** Webinars, Workshops, Consultations

# Urban Mobility Advisory

An integrated offering supporting bus fleet renewal and all related aspects

-  **Strategic Planning:** SUMP, Sector Plans, Public Transport Policy, Spatial Planning, Policy Advisory, E-Mobility, Decarbonisation of Urban Areas
-  **Infrastructure:** Charging Infrastructure, Bus Depots, Transport Interchanges, Information Systems, Traffic Control Systems
-  **Asset Renewal:** Bus Fleet Renewal, Ticketing Systems
-  **Urban Realm:** Walking and Cycling Infrastructure, Densification of Transport Corridors, Street Furniture

# Urban Mobility Advisory – Typical areas of support

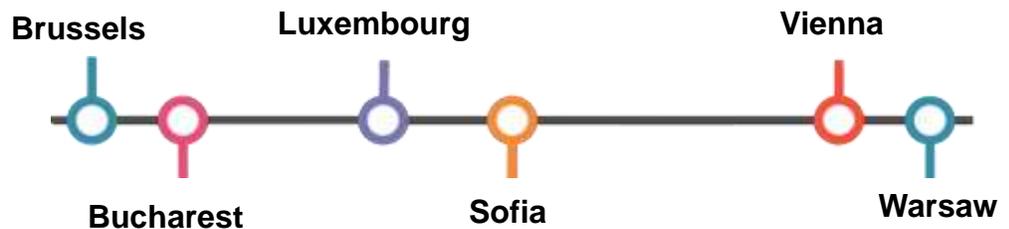

## JASPERS Advice Includes:

- Project Concept Definition
- Options Analysis and Preliminary Design issues
- Cost Benefit Analysis, Environmental Compliance
- Scoping of Feasibility Studies
- Funding and Financing Opportunities
- Grant Applications
- Procurement and ownership options
- Strategic Coherence
- Project Optimisation and Benchmarking

# How do we engage on bus fleet projects?

- **City/ public transport authority contacts JASPERS about a potential assignment at: <https://jaspers.eib.org/get-in-touch/index.htm> or via one of our offices**
- **Scope of cooperation is agreed in an Assignment Fiche and confirmed with national authorities and EC**
- **For JASPERS to get involved, there must be a link to EU funding eg. via ESIF or REACT-EU**
- **JASPERS support is free to beneficiaries and funded by the European Union and the EIB**
- **Support is provided through partnership and cooperation — no need to go through a tender process.**
- **JASPERS experts provide hands-on direct advice, and help to mobilise additional experts if needed**
- **JASPERS comprises international experts; where needed it uses interpretation, translation facilities for documents, and local consultants to support working in local languages.**
- **JASPERS is managed by EIB, but there is no obligation to borrow from EIB (nor for EIB to lend)**
- **A mix of over 110 engineers, economists, environmental specialists and sector experts spread across 6 offices**

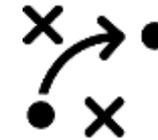

# JASPERS wider support for cities

Support for **urban regeneration projects** –  
methodological guidance,  
project preparation  
support

Advice on **horizontal issues** – eg. urban  
climate action, circular  
cities

Assistance in **preparation of sustainable urban development strategies, ITI, investment prioritisation**

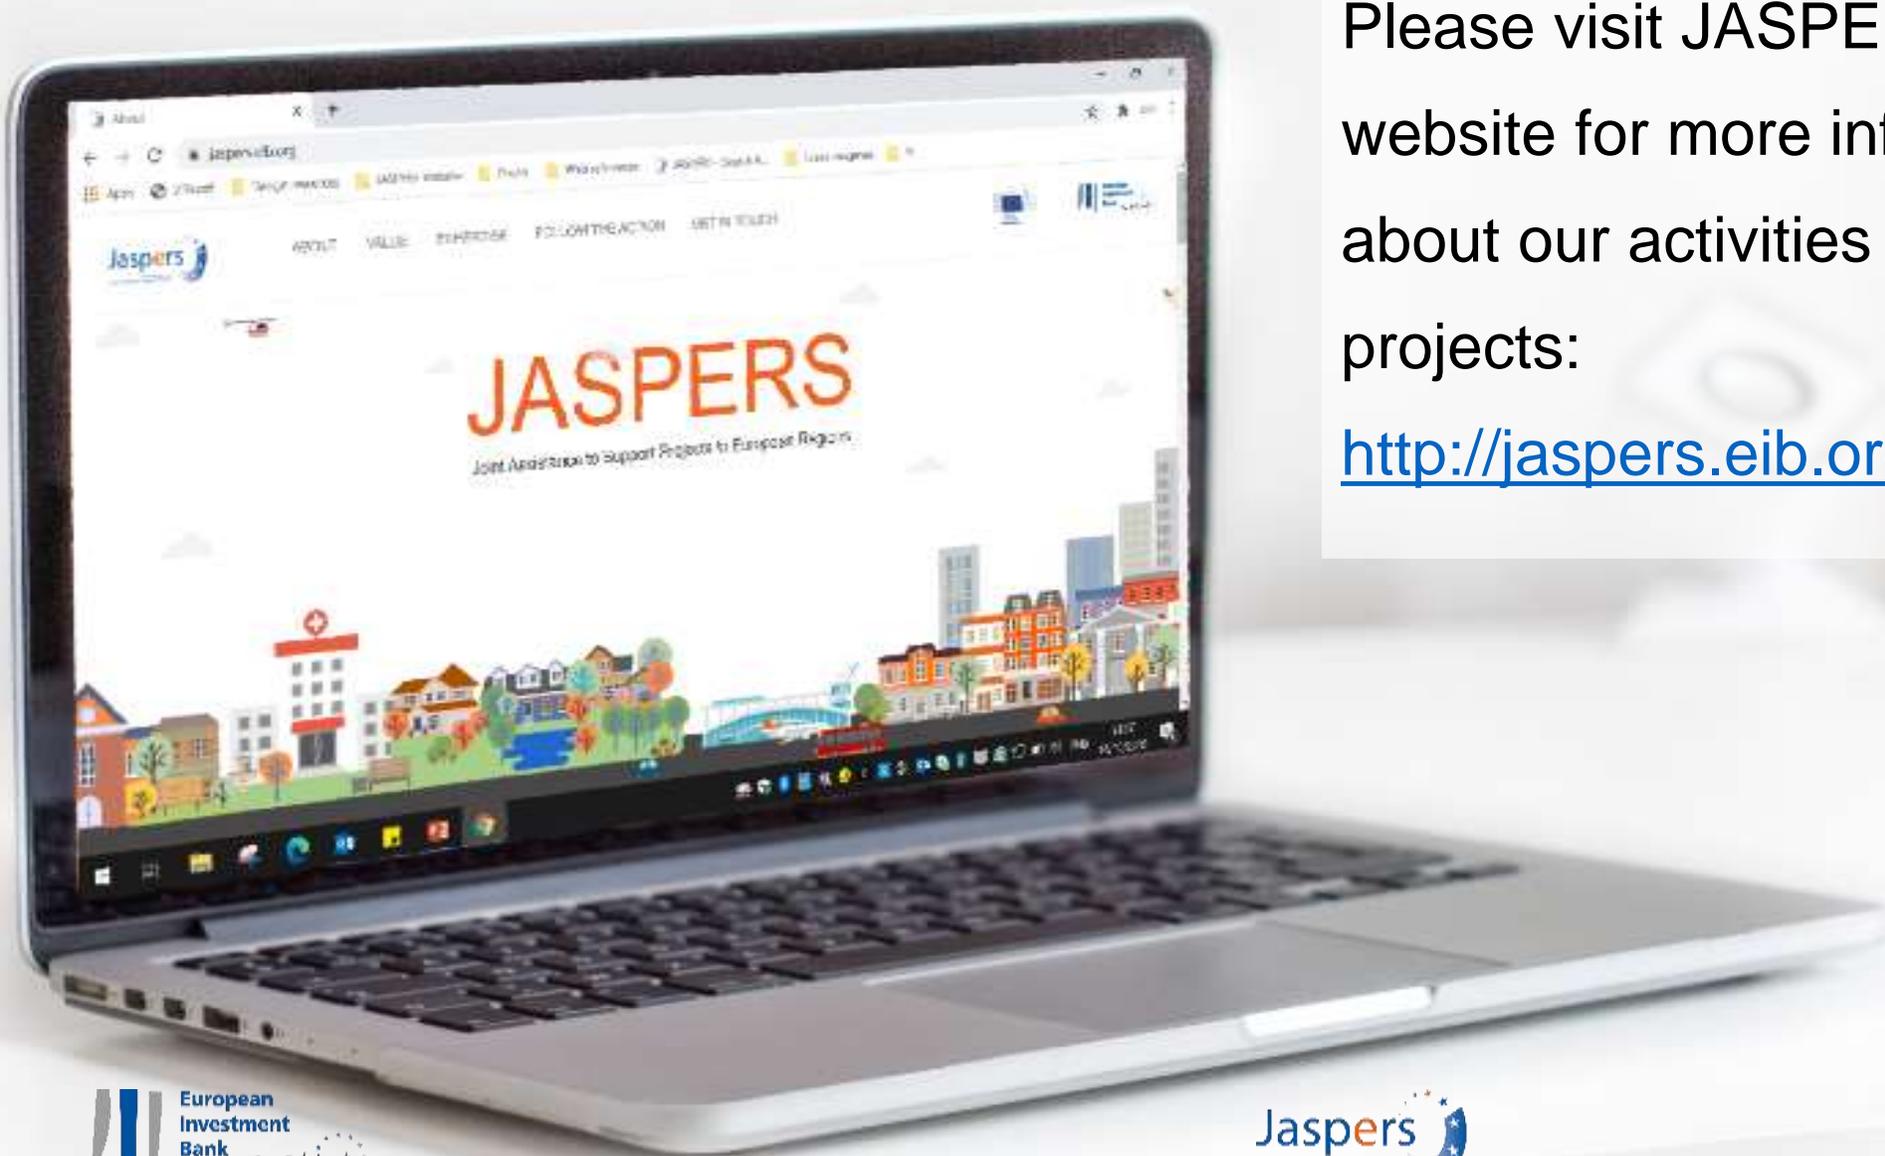

Support for the  
preparation of **investment programmes (neighbourhoods, city, functional regions)**

Selective **support – pilot project advisory incl. replication mechanisms**

**Capacity building - networking, training, knowledge transfer**

Please visit JASPERS website for more information about our activities and projects:
