

JASPERS Networking Platform

Workshop: Best Practices in Flood Risk Management

Date: 17th-18th September 2013

<u>Location:</u> European Commission Beaulieu 29 – room 00/27

> Avenue de Beaulieu 29 1160 Auderghem

BRUSSELS

The JASPERS Networking Platform has been created to complement JASPERS project advisory operations, by addressing specific project preparation problems of horizontal nature, enhancing knowledge sharing activities, dissemination of best practices and exchange of experience among JASPERS Stakeholders, as well as implementing capacity building activities. More information is available at www.jaspersnetwork.org

Description of the workshop

The objective of this workshop is to raise awareness in the JASPERS countries on sound planning, development and preparation of flood protection projects, taking into account directive requirements and integrated solutions.

The main target audience of the workshop is relevant authorities in Member States dealing with the planning, preparation and implementation of Flood Risk Management projects. Representatives from the European Commission will actively participate in the workshop.

The workshop will be held in two main sessions addressing the following topics:

Planning: Directive requirements and best practices in Flood Risk Management planning

This session will, against the background of flood directive requirements such as the concrete targets from the Flood Directive (Flood Maps and Risk Management Plans) highlight good practice principles of project planning on a whole river (sub) basin, including using upstream water retention, restoration of natural flood plains and non-structural measures. The session will further focus on the importance of technical tools such as integrated flood modelling and how these should form the basis for investment identification, prioritisation and development.

Case Studies: Examples of Flood Risk Management

This session will present selected project case studies as a basis to discuss opportunities to incorporate best practices in the sector. The discussions would, amongst others, focus on:

- The appropriateness of the presented flood measures and the design of the technical solution;
- Applying a multi-purpose project approach, integrating other purposes such as drought prevention, ecological improvements and agricultural and green practices.

This session will present concrete examples from the 2007-2013 funding period and will include an interactive discussion on the selected case studies.

After each presentation time will be reserved for questions and discussions. The workshop will end with a round up session that will summarise the discussions held.

Tentative agenda

13:00 – 13:30 Registration of participants 13:30 – 14:00 Opening Remarks and Introduction to the Workshop 14:00 – 14:30 Requirements of the Flood Directive	
14.00 – 14.30 Requirements of the Flood Directive Jorge Rodriguez Romero, DG Environment 14.30 – 15.10 Flood Risk Modelling / Mapping Claus Skotner, Danish Hydraulic Institute 15.10 – 15.30 Coffee Break 15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30-10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
14.00 – 14.30 Requirements of the Flood Directive Jorge Rodriguez Romero, DG Environment 14.30 – 15.10 Flood Risk Modelling / Mapping Claus Skotner, Danish Hydraulic Institute 15.10 – 15.30 Coffee Break 15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30-10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Jorge Rodriguez Romero, DG Environment 14.30 – 15.10 Flood Risk Modelling / Mapping Claus Skotner, Danish Hydraulic Institute 15.10 – 15.30 Coffee Break 15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Jorge Rodriguez Romero, DG Environment 14.30 – 15.10 Flood Risk Modelling / Mapping Claus Skotner, Danish Hydraulic Institute 15.10 – 15.30 Coffee Break 15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	1
14.30 – 15.10 Flood Risk Modelling / Mapping Claus Skotner, Danish Hydraulic Institute 15.10 – 15.30 Coffee Break 15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
15.10 – 15.30 Coffee Break 15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30-10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
15.30 – 16.15 River Basin approach: Cross Border Experience from the Meuse Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30-10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Fred van den Brink, Interreg Project 'Flood-wise' 16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg

16.15 – 16.30 EIB Financing for Flood Protection Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	river
Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30-10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Marco Beros, European Investment Bank 16.30 – 17.00 Non Structural measures and Green Infrastructure Solutions Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30-10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Karin Zaunberger, DG Environment 17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
17.00 – 17.30 Panel Discussion and Summary of the first day DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
DAY 2 – 18 TH SEPTEMBER 09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
09:00 – 09:30 Welcome coffee 09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
09:30- 10:30 Introduction to Best Practices: Project case studies Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
Fred van den Brink, Jan Spatka, Hans van Os, David Tagg	
10:30 – 11:15 Break up in sub-groups: discussions on specific case studies	
All participants	
11:15 – 11:30 Coffee Break	
11:30 – 13:00 Plenary Session: Group presentations and discussions	
13:00 – 13:30 Round Up and Summary	
13:30 Closing Remarks
