# EIB / EC support for JUST TRANSITION

## Just Transition Mechanism (JTM)

### Pillar 1 Just Transition Fund (JTF)

€19.2bn delivered mostly through EU grants expected to mobilise €25bn investments

EIB co-financing 21-27 Programmes

**JASPERS, PASSA, TARGET**  
support to MS with Pillar 1 grants

### Pillar 2 Invest EU

Guarantee across 4 policy windows  
InvestEU Advisory Hub.

Expected to mobilise €10-15 bn in mostly private investments.

**InvestEU Advisory Hub**  
No specific ring fenced allocation

### Pillar 3 Public Sector Loan Facility (PLSF)

Combine €1.5 bn of grants with €10 bn of loans from the EIB

Expected to mobilise €18.5 billion of public investment.

**InvestEU Advisory Hub**  
Ring fenced advisory funding to identify and prepare projects linked to Pillar 3

**Advisory Support**

# Climate Adaptation Investment Advisory Platform (ADAPT)

- Adaptation advisory services throughout **all stages of the project cycle**
- Building on cooperation between **JASPERS** – when EU funds are involved - and **InvestEU Advisory Hub** mandates within the framework of respective governance arrangements.
- Open to **both public and private** project promoters,
- Three indicative **streams of activity**:
  - Upstream support (covering also strategies and project pipelines)
  - Project preparation and implementation support
  - Capacity building and awareness raising
